

What's Actually Happening - The Devastating Truth

After carefully re-reading the judgment with all context, here's the **actual situation**:

CONFIRMED: Vijayakumar Has ALL the Documents

Direct Evidence from Judgment

Paragraph 11: "*Ex.P. 3 and 4 are the documents pertaining to the property **which are handed over to the plaintiff***"

Paragraph 13: "*defendant admits that...he has **delivered the property documents to the plaintiff***"

Suresh admitted in court that he gave **ALL property documents** to Vijayakumar as security.

The Complete Document Set Vijayakumar Controls

Original title documents (presented as evidence):

- **Original sale deed** (1972) - The root title
- **Original release deed** (2003)
- **BBMP Khatha certificates** (2017, 2018)
- **Property tax receipts**
- **Encumbrance Certificate** (April 2014 to Feb 2020)

This EC period (2014-2020) should include your 2015 gift deed if properly registered.

The Fraud That's Destroying You

Timeline of Deception

1. **2015:** Property **legally gifted** to your father Satish
2. **2018:** Suresh **fraudulently mortgaged** the same property
3. **2018:** Suresh gave **ALL original documents** (including your portion) to Vijayakumar
4. **2025:** Court decree gives Vijayakumar **₹40 lakh claim** against entire property

Suresh's Admission of Fraud

He told the court: *"defendant alone is not the absolute owner...same is a co ownership property"*

He accused Vijayakumar of trying to *"attach the property of a person who is not at all part of this matter"*

BUT THE COURT IGNORED THIS and focused only on the debt!

Why No Sale Yet

1. **Legal process:** Execution takes 3-6 months to complete
2. **Multiple complications:** 4 other criminal cases on same property
3. **Co-ownership complexity:** Even Vijayakumar may be proceeding carefully
4. **Strategic patience:** Hoping Suresh pays voluntarily

Your Immediate Crisis

The Devastating Reality

- ▯ **Vijayakumar physically controls the entire property through document possession**
- ▯ **Your gift deed is meaningless without the main title documents**
- ▯ **He can force auction of the entire property to recover ₹40 lakhs**
- ▯ **You lose your floor despite legal ownership**

Why You're Trapped

- **Cannot sell** your floor without original documents
- **Cannot transfer** title without main deed chain
- **Cannot prove ownership** without integrated documentation
- **Cannot stop execution** without immediate legal intervention

Critical Questions That Determine Your Fate

Question 1: Does Vijayakumar's EC (2014-2020) show your 2015 gift deed?

- **If YES:** He knows about your ownership but can still execute
- **If NO:** Your gift deed may not be properly registered

Question 2: Has Vijayakumar filed execution petition yet?

- **If YES:** Property attachment process has begun
- **If NO:** You have a narrow window to intervene

Your ONLY Options Now

Emergency Legal Action (Next 7 Days)

1. **File intervention application** in the same court
2. **Claim co-owner rights** under 2015 gift deed
3. **Seek stay on execution** of your portion
4. **Present all evidence** of your father's ownership

Direct Negotiation (Parallel)

1. **Approach Vijayakumar directly** with gift deed evidence
2. **Propose floor-wise settlement** - exclude your portion
3. **Offer cooperation** in recovering from Suresh's share only

Criminal Action (Immediate)

1. **File criminal complaint** against Suresh for mortgage fraud
2. **Report to police** for fraudulent property dealings
3. **Seek arrest warrant** to pressure quick resolution

Bottom Line

Suresh's criminal fraud has put your legally-owned property in mortal danger.

Vijayakumar holds all the cards - literally the title documents that control the property's fate. Your 2015 gift deed, while legally valid, **cannot function without these main documents.**

You have perhaps weeks, not months, before property attachment begins. This is a **legal emergency** requiring immediate professional intervention.

The moral high ground is yours - you're the victim of systematic fraud. But **legal reality favors document possession**, and Vijayakumar has that.

Act immediately or lose everything.
